### **Treasurers Report: By Margaret Gout**

Elections for the board of Metro Carvers will take place in May. Metro Carvers of Michigan is our club and we all need to give our support in some manner. Please give some thought to supporting our club by running for an office on the board.

### **President's Corner: By Curt Chastain**

The nominations or volunteering to run for the President, Vice-President, Secretary, Treasurer, and two Board Members for next year is still open for applicants. The club exists for its members, but its members must participate in its operation. As of the latest check there are at least one person running for each of the Officers (except Treasurer which does not have anyone on the ballot yet) and several running for the two Directors on the Board. Get on the ballot by contacting Harold Green BEFORE the next meeting.

Spring is upon us and we are now on the last two meetings of this 2016/2017 season. This club can still be viable. After the summer break the next 2017/2018 season can be started with a refreshed outlook. Keep carving and have fun this summer.
