President’s Corner: By Doug Evans

Hi everyone! I’m looking forward to this year and doing my best to help out the club. With all the nonsense we are facing now a days, carving is a great distraction!

I was just at Hospice about two weeks ago and dropped off more comfort crosses and comfort birds. They appreciate all our hard work! We are very low on comfort birds. Any help rebuilding our inventory of birds would be appreciated. We’re “ok” on crosses.

I just got back from the annual CCA seminar in Converse, Indiana. Those boys know how to throw a class. It was nice to get away for a few days but now I’m paying the price at the office.

This year I am going to encourage the club to keep an eye on just three things—

- 1) Let’s keep it simple:
- 2) Have some fun
- 3) Find a bunch of new members (lots of them esp. the young ones!)

Everyone carve a little more. If we pay attention to these three things, everything else will fall into place! Keep the chips flying! Doug Evans

MWCA “Patriot Cane Program”: By Dave Cpeman

It has been a busy summer for most people, with vacations, family reunions and all the other activities that make up summers here in Michigan. But through it all, the Patriot Cane Teams have managed to keep pace with all the new applications.

By the time you receive this News Letter and hopefully read it the Patriot Cane Teams will have completed 3918 canes. Over 4000 canes heads have been submitted to the “Patriot Cane Program”. Thank you to everyone that has contributed to the “Patriot Cane Program”. Without your help and support this program could not continue.
