President's Corner: By Doug Evans

Are you ready ?? The BIG event, the Annual Show is almost here. March 17th, March 18th hopefully is already on your calendar. We will need all hands on deck to make the show a true success.

Table sales are a little slow, so please support your club and get a table to show off all of your great carvings. Compete if you will, (kinda fun !)

but even if you don't your fellow club members want to see what you have been up to and you will amaze the general public. It's a great time to catch up with your fellow carvers and friends!

We also need folks to walk in the doors. This is how we cover costs and hopefully make a couple bucks. Invite as many people as you can and if you know anyone tied to TV, radio, newspapers, etc. see if they can give us a plug or two. Really, just take a second and think of whom you might know??

Many thanks to Denny Sekrenes, President of the Michigan Woodcarvers Association for traveling in and visiting with us last meeting.

President Denny updated us on a couple new MWCA patches that are now available, an update on the success of the Lean on Me project, and answered questions about the upcoming Learning Seminar in Midland.

Next month, our speaker will be Matt Kelley talking about the online The Carver's Companion online magazine and the International Woodcarver's Congress.

Show, show, show. See ya at the Show!
