President's Corner: By Sandra Doran

Greetings Fellow Metro Members,

Shock!! I merely asked one question... " what does the job of being president entail?" I thought if everyone would know the answer to this question then many would lineup for the Presidency. I found myself in the thick of it a couple minutes later!! LOL

I still don't have my Sea legs however, I am happy to try this hat on for a year. Actually, I'm thrilled!

With that, I would like to thank my Metro buddies for their confidence in appointing me as their president. I am honored and humbled by my appointment as I will be following all the great

past presidents that did such a stellar job at leading our club.

I am dedicated to try to fill their shoes the best I can. It is my hope that my passion for Wood Art will highlight my enthusiasm for our upcoming year.

A little about me: in 2000 I took Bill Wolff's Beginning carving class and caught the bug! Now I need an apartment just for my carvings. I have enjoyed many seminars starting in Cadillac, Kitchener, Canada, and

now Evert with Floyd Rhadigan's Floyd Fest and the yearly Round Up. I try to participate in the Washington Carve Fest In the fall each year.

I will be calling on my friends at Metro carvers to continue to make an investment in our club by showing their artwork, by being Carver of the Month and/or Speaker of the Month.

In closing I would like to thank each and everyone of you for your part in making this a great year.

Club Go-Bys : By Greg Lutz

The Metro Carver's Club has a substantial collection of Go-Bys available to be borrowed, and the board would like to gauge the member's interest in these items. Go-Bys are 3 dimensional scale models you can use as a guide for your carving. Please review the list below and come to the next meeting (June 19th) prepared to indicate if you might have an interest in borrowing an item (you will not be making any commitments) or if the club decides to sell the items, if you might be interested in purchasing one (or more).
